City of Hudson Oaks Community News No. 14

## OAKEY TRAIL REPAIR

There have been many inquiries about the conditions of Oakey Trail, among other streets. Staff at City Hall are working towards getting these streets repaired for our residents. First on the list was Oakey Trail. Check out our newly paved road!

## SEWER RATE

For all sanitary sewer customers serviced by COHO, sewer rates are charged based on a three-month water average. This water usage average begins on November 10th and ends on February 10th. We assume that customers rarely irrigate during this time, making those three winter months the lowest average usage months of the year. The flat rate is calculated using the water rate fees found on our website. These averages are updated every year. Keep an eye out for your new rate on your bill due April 10th.

## GREYSTAR CONSTRUCTION

Soon you will see some activity going on east of HEB. Greystar is breaking ground this month and beginning its construction. Greystar is a multi-family development that will bring luxury apartments and duplexes
