

COHO COMMUNITY NEWS

STAFF DEVELOPMENT DAY

Our COHO staff had a great time at GNJ Pickleball. We were able to have a little friendly competition while learning the game and have all decided that we are now pro "pickleballers". (ha, ha)

If you are looking for some indoor exercise and a friendly game of competition, try GNJ Pickleball.

WATER RATE INCREASE

The City of Hudson Oaks has had a rate review initiated due to upcoming capital investment requirements and changes in the City's wholesale water and wastewater providers. Significant time has elapsed since prior water (2008) and wastewater (2018) rate adjustments.

As of October 2024, residential and commercial accounts will have a 13% minimum fee increase on water meter base rates and a 10% by volume increase.

You can view the full water and wastewater report on our website or scan the QR Code.

CHIEF BALDWIN - CASA AWARD

On August 19th, Chief Michael Baldwin was honored for the completion of his extended term as President of the CASA Board of Directors.
