RESIDENTIAL WATER RATE CHANGES

The City of Hudson Oaks has had a rate review initiated due to upcoming capital investment requirements and changes in the City's wholesale water and wastewater providers. Significant time has elapsed since prior water (2008) and wastewater (2018) rate adjustments.

A public hearing related to the adoption of the proposed rates will be held during our City Council Meeting on Thursday, September 26, 2024, at 7PM Hudson Oaks City Hall, 210 Hudson Oaks Dr.

SAMPLE MONTHLY BILL IMPACTS

As of October 2024, residential and commercial accounts will have a 13% minimum fee increase on water meter base rates and a 10% by volume increase.

*Wastewater (sewer) rates are only for those that are sewer customers.
